Growth of food processing industries in Maharashtra

*85. MISS SAROJ KHAPARDE: Will the Minister of FOOD PROCESSING INDUSTRIES be pleased to state:

(a) whether Government are aware that the State of Maharashtra has the requisite potential for the growth of food processing industries;

(b) if so, what incentives are being provided by the Central Government to the food processing industries in the State with details thereof; and

(c) what steps Government have taken to ensure rapid growth of food processing industries in Maharashtra?

THE MINISTER OF STATE OF THE MINISTRY OF FOOD PROCESSING INDUSTRIES (SHRI K.P. SINGH DEO): (a) to (c) There is enough potential for developing food processing units in the State of Maharashtra. With a view to encourage investment for food processing industries, Government have liberalised its policies and have delicensed all food processing industries except distillation and brewing of alcoholic beverages, sugar and those items reserved for small scale sector. Government also permits foreign equity investment for setting up of food processing industries. Various other incentives like liberalisation of foreign technology agreements and fiscal reliefs for food processing industries have already been granted.

Ministry also operates some Plan Schemes under which financial assistance is extended in respect of proposals received through State Governments for setting up/upgrading food processing units in the joint venture, assisted/ cooperative sector or private sector, etc. Financial assistance under the plan schemes has been extended in respect of such proposals covering fruits & vegetable processing, meat & poultry processing, fisheries, grain processing, etc. to the extent of Rs. 396.71 lakhs, during the first 3 years of the 8th Five Year Plan.
